RE: Doggett for Congress Committee
FEC Identification No. C0028650
Response to FEC Inquiry of March 22, 2007

Dear Ms. Grant:

This letter is in response to inquiries dated March 22, 2007.

Reference: Amended 30 Day Post General Report, 2005 July Quarterly Report

The Commissions' original analysis indicated a discrepancy in the aggregate totals reported for the Nelson, Mullins, Riley and Scarborough Federal PAC for the 2006 cycle. However, commission staff have confirmed by telephone that this analysis did not consider a contribution from the PAC which appears in the 2005 July Quarterly report. With this contribution taken into account, there is no further discrepancy.

Reference: Amended 30 Day Post-General Report, 48 hour reports dated 10/21/06, 11/3/06, 10/31/06

The Commission found two contributions reported in "last minute" 48 hour reports which do not appear in the Amended 30 Day Post-General Report.

The first contribution was attributed to Mr. Andy Brown in the 10/21/06 48 hour report. However, this contribution should have been attributed to the DLA Piper PAC, for which he is a contact. This contribution was correctly attributed to the PAC itself in the 30 Day Post-General report.

Second, a contribution was made by Ms. Kathy Morris on October 31, 2006. Ms. Morris promptly asked for her check to be returned as she wished to donate to the campaign from a different account. On 11/3/06, Ms. Morris gave the new contribution to the campaign. However, while the original contribution check was never deposited, it was reported to the commission in the 48-hour report dated 10/31/06 before Ms. Morris asked for it to be returned. The original contribution does not appear in the 30 Day Post-General report. Only the second, correct contribution dated 11/3/06 was reported.

The 30 Day Post-General report will be amended to include the full names of Federal candidate committees to which the committee donated.

Sincerely,
